VOYAGER SERIES

COMPACT ALUMINIUM WHEELCHAIRS

These FEATHERWEIGHT Aluminium wheelchairs are especially designed to help you navigate through the tight spaces of an airplane or railway compartment. All VOYAGER Series wheelchairs are highly compact and fold-up or collapse to a fraction of their size making it an ideal companion for travelling. Although lightweight, the bearing capacity of these wheelchairs is not compromised and it has the strength and durability of any of our regular models.

SPROUT SERIES

WHEELCHAIRS FOR KIDS & YOUNG ADULT

Just like a child is not comfortable wearing an adult's shirt, in the same way a child is never at home using an adult wheelchair. Since our SPROUT series wheelchairs are specifically designed for young adults and kids, it is far more easy to maneuver and handle. Special children have special needs and ARREX knows how to cater to them.
